- Uphill Steep Hill
- Municipal Parks
- Commercial Areas

1km = 15 MINUTES WALKING - 5 MINUTES CYCLING

This map was developed to assist in planning trips by bike throughout the Comox Valley. Users of this map are responsible for their own safety and use these routes at their own risk. Please note that the data provided is compiled from various sources; all those involved in the design and publication of this map can not guarantee its accuracy or sufficiency for the safety of any route, path, street, road, highway or designated bike route shown on this map; also note unpaved trail conditions vary and may have rocks, roots, ruts, hills, single track or other off road conditions. This information is provided for information and convenience purposes only. Revised April 2026 - Edition 4.

Tips on Sharing the Trail

MULTI-USE TRAIL ETIQUETTE

- **Be Courteous** - smile, nod, greet others, relax and have fun.
- **Be Predictable** - walk or cycle to the right of the trail; overtake on the left.
- **Be Cautious - Cycle Slowly** - enjoy the journey, cycle at a leisurely pace.
- **Be Heard** - before passing ring your bike bell and/or call out "passing on your left".
- **Be Pet Responsible** - keep dogs on a leash and to the outside of the trail. Prevent your dog leash from crossing the trail and becoming a hazard to others. Clean up after your pet.
- **Be Sociable** but don't block the trail. If stopping to talk, move off the trail and let others continue on their way.
